**Bill Harris:** Good morning everyone. I would like to welcome you to the meeting. You probably are aware by now that we do not have a quorum for the Board. So we will be unable to have today's meeting. The items that we have for this meeting will be carried over until next month. I should let you know, that the Gas and Oil Board Hearing for May 2016, has been rescheduled for Tuesday May 10<sup>th</sup>. It is the second Tuesday of the month rather than the third Tuesday. But Tuesday May 10, 2016, at 9:00 a.m. in this same building. If you do have questions, please contact the Division of Gas and Oil. That number is 276-415-9700. I do thank you for your attendance and I am sorry that we cannot attempt to have a hearing this morning. I apologize for the inconvenience. I guess we are adjourned.
